

DECLARATION and POWER OF ATTORNEY

X ORIGINAL CONTINUATION DIVISIONAL

As the below named inventors, we declare that the information given herein is true, that we believe that we are the original inventors of the invention entitled:

High Density Plasma Chemical Vapor Deposition Process

Which is described and claimed in:											
x the attached specification or the specification in application Serial No. filed as amended on											
(for declaration not accompanying application) (if applicable)											
and for which a patent is sought, and that our residences, post office addresses and citizenship are as stated below next to our names. We acknowledge our duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations § 1.56(a). We hereby state that we have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.
